

Australian Scholarships

THE PATHWAY TO EXCELLENCE

ALUMNI REGISTRATION

An alumni network in Fiji will be formed soon! All Fiji residents/citizens who have studied in Australia or the Pacific under an Australian Government scholarship are welcome to join. The alumni group will provide exciting opportunities for networking and strengthening links with Australia and each other.

The Australian Government requests all Fiji residents/citizens who have studied in Australia or the Pacific Region under an Australian Government Scholarship (eg EMSS, JCSS, ASTAS, ADCOS, ARDS, ADS, ACIAR) to register themselves with AusAID at the Australian High Commission.

Alumni are invited to email the Scholarships Team at:

ausaid.suva@dfat.gov.au

using the word “alumni” in the subject line, with their name, full home and work contact information, as well as details of study program and duration of the course completed in Australia.
